STAT FROM :
Policy & Plans Group, Management Staff, ODP

SUBJECT : XEROX Corporation Capabilities Briefing

1. A briefing by XEROX Corporation will be presented on 27 March 1981, in 1E78 Headquarters from 1300 to 1600. The presentation will focus on the ETHERNET system which includes electronic mail, electronic filing and printing; word, record and data processing, and point to point communications.

2. The attached list of topics, although not an agenda, does reflect the variety of subjects that will be addressed during the briefing.

3. Room 1E78 has a capacity of 75 persons. In order to avoid exceeding this capacity, I would appreciate if you would contact me by 24 March 1981 with the approximate number of attendees from your component. You may call me on with your number of attendees or if you have any questions.
